

# Get to know EyeMed

## Protecting your vision is a big decision

Looking over your vision insurance options, but don't know where to start? EyeMed makes it easy with the Virtual Benefits Fair, an online hub with handy tools and resources so you can make enrollment decisions with confidence.

### Here's what to expect from the Virtual Benefits Fair:

#### Group benefit summary

View the benefit summary for the plan being offered by your employer.

#### Know Before You Enroll

See how much a vision plan could save you on eyewear and doctor visits.

#### Enrollment brochure and video

Learn more about the advantages your plan has to offer.

#### Frequently asked questions

Get answers to the most common questions.

#### Provider Locator

Search for in-network providers and filter by hours, services, eyewear brands and more.

#### Live chat

Reach out to our support team for helpful guidance every step of the way.
