Re: Happy Holidays!  
(a short poem)

'Twas the end of December  
And a beautiful day  
One more week till the New Year  
Time to talk ACA!

That 10-9-5 reporting  
Large employers can smile  
With the deadline extension  
You can wait for a while

Employer penalties and mandates  
Still effective this year  
We'll discuss them more later  
But till then - never fear

There'll be more Friday e-mails  
To keep you up to date  
On the ACA's future  
Though we might have to wait

We'll know more starting next month  
And we'll pass it on through  
Until then, here's our update  
And our message for you

May this season be joyful  
May your New Year's be bright  
All the best of health to you  
And to all a good night!
