

Save Time and Money with Prescription Home Delivery

Save on Medications you take regularly (such as high blood pressure or diabetes) when you have them delivered by mail, in 90 day supplies, from Anthem's IngenioRx Home Delivery Pharmacy.

Savings

If you purchase a 90-day supply of a prescription medication through the mail order service, you will only be charged two applicable copays. If you purchase a 90-day supply at any retail pharmacy, you will be charged three applicable copays.

Convenience

Mail delivery means no more trips to the pharmacy and if you choose automatic refill and/or renewal, you won't need to keep track of that either!

Safety

Every order is filled by a licensed pharmacist, then quality checked before shipping. Packages are discreet, weather and tamper-proof.

How to get started!

Ask your doctor for a prescription for a 90-day supply of your medication

If this is a new prescription, you may wish to also get a prescription for a 30 day supply, to be filled at a retail pharmacy while you wait for your first mail-order to be processed. Prescriptions can be submitted to the mail order pharmacy by mail or fax, or online at www.anthem.com.

Place your order

Log on to www.anthem.com and choose *Pharmacy*. On your personal pharmacy page, select *View Your Prescriptions* under *Switch to a 90-Day Supply*. For the drugs you want to switch to home delivery, choose *Switch to a 90-day Supply* and then *Select Prescriber*. You can also add or update your shipping address, shipping options and payment method on this page. Or, you can complete the *Prescription Drug Mail Order Form* on the Health Trust website at www.mmeht.org. Under the *Medical Plans* header, select the *Prescription Drugs* page, and mail the completed form to IngenioRx with your prescriptions. You may also call IngenioRx Home Delivery Pharmacy at 1-833-236-6196.

Pay for your prescription

You can pay by debit or credit card, use your Flexible Spending Account (FSA) debit card, or enroll for electronic funds transfer (EFT) payments. To set up your payments, select *Complete your Profile* and *Communication Preferences* from your personal pharmacy page, then *Change Payment Method* to choose how you'd like to pay, sign up to pay online or add/update your credit card on file.
